# TEAM NEUTRINO

Love CAD, coding, engineering, graphic design, business, volunteering, and sharing STEM with the community? Team Neutrino is a Story County high school robotics team with over 10 years of award-winning engineering and community outreach. **Now recruiting for the 2024–2025 season!**

Please join us for an informational meeting on either **Saturday, May 18th** from 3:00-4:00pm or **Monday, May 20th** from 5:00-6:00pm. Both are located at the Ames Public Library upstairs PEO room, and we would love to see you there! Parents are also invited.
